Form: Site Worksheet-Door Locations

Doors

- Door Number This is the number of the door are recorded in Door inventory. All Door numbers begin with a prefix of DR
- Leafs The number of leafs in a door
- Door Type The type of door it is:
 Auditorium Entrance Egress Only
 Gym Entrance Main Public
 Overhead Parking
 Playground Roof Access
 Service
- Address, City If this Door has a separate address from the main building
- Required Exit Is this a required exit by fire code? Yes or No
- Handi Cap Is the door handi cap accessible? Yes or No

Form: Site Worksheet-Room Information

Select Room Number

You can Select a room from the list and the database will find that room information.

Floor

Select the floor the room is on

Room NO

Room Number

Old Room Number

Used when a room is changed

Sq. Ft.

Number of Sq Ft in the room or area

Primary Function

Primary function of the room.(Select from the List)

Secondary Function

Secondary function of the room.(Select from the List)

Tertiary Function

Further classification of function of room.(Select from the List)

Type Group

Original Room No

If this room has been changed there may be an original number

Building Phase Id

Phase of the building that room was created

Remodel PH Id

Phase of the building that room was created

Original Room Name

Original Room Name

Rm TP Mod Prep

Rm To Mod Obj

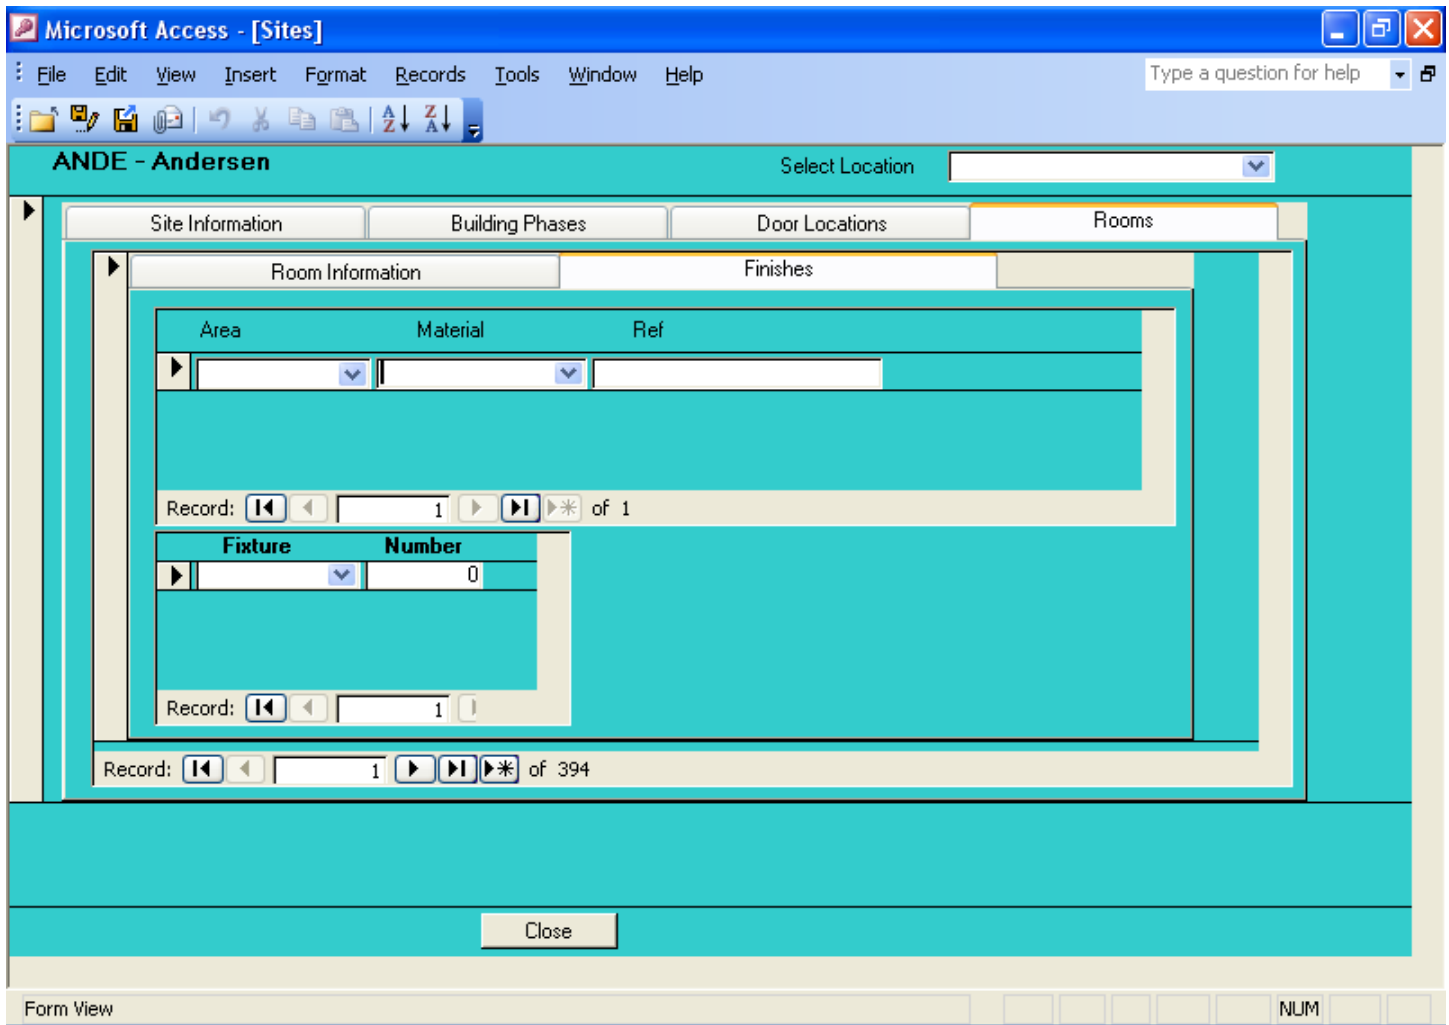

Ref:

Reference to another room in the site

Notes
